

# GENERAL NOTES:

Details indicated on this plan are intended to illustrate the general requirements for structural rumble strips on 14' wide PCC pavements. Structural rumble strips shall not be placed in areas where there are 12' pavement widths. Placement of structural rumble strips shall be incidental to "Standard or Slip Form Portland Cement Concrete Pavement."

**SECTION A-A**  
**Thru Pavement Edge 14'-0" Wide P.C.C. Pavement**  
Use rumble strip and spacings shown in Typical Plans for P.C.C. Shoulders.

**SECTION B-B**

**DETAIL A**
